

# MOVE OVER MOZART GROUP PIANO LESSONS

**FUN! ECONOMICAL!**

**After School - --**

**At School!**

*Every child loves music. Educators have discovered that early, positive musical experiences are uniquely important for children, and help develop physical coordination, timing, memory, visual, aural & language skills.*

**Move Over Mozart** is a piano learning program designed for children ages 4 and up. M.O.M. began in 1988 and currently has over 700 kids enrolled in its specialized classes. Kids enjoy the social aspect of the group lessons, and while each child takes a turn playing his/her assignment for the teacher, the other children work individually in workbooks, or collectively on musically enforcing games and activities.

**\*\* COST:** \$30 per month, plus a yearly enrollment fee of \$17 (includes 2 books).

**\*\* LOCATION:** At school. After School Care children will be picked up and returned.

**\*\* HOW THE CLASS WORKS:** 1/2-hour classes, back to back beginning after school.

Self-paced curriculum. Each class has 5 students or fewer. Mid-year & Spring Recitals. Lessons run Oct. through May one day a week. Piano student may discontinue at any time -- \$10 administrative drop fee. Piano lessons are held back to back in 30 minute session with 5 kids maximum in each group. On site Day Care kids come to later classes.

Piano Teachers will arrange to escort kids who are in an on-site daycare facility to and from piano class.

Children enrolled in piano lessons who do not go to daycare may quietly wait until their class begins.
