

Position Title: Lead STEAM Instructor

Position Overview: We've provided quality enrichment in the form of piano instruction for students since 1988 and introduced STEAM (Science, Technology, Engineering, Art, and Mathematics) instruction in 2020. We are currently seeking qualified individuals to provide arts instruction to students throughout Sonoma County.

Location/Working Conditions: Sonoma County K-8 Schools & Studio (Windsor). The majority of schools that we instruct at within Sonoma County, are located in Santa Rosa, Rohnert Park/Cotati, and Petaluma. Employee must have a reliable means of transportation.

Compensation: starting at \$26.00 per hour/part-time

Position overview: STEAM Instructors guide students through a variety of projects in a group class setting, either at school campuses for after school enrichment or studio in Windsor. Each weekly class is 30-50 minutes in duration, with up to 12 students per class and has support from an Assistant Instructor. Classes are organized by age groups (i.e. TK/K, Grades 1st-2nd, Grades 3rd-5th & Grades 6-8). During each class, students will work on a set project that is appropriately curated for their age group. Students will work with various mediums to enhance their familiarity with STEAM components. Some projects will require students to work independently, while others will require collaboration and teaming. The STEAM Instructor will contribute to the lesson plan and will provide clear direction, oversight, group instructions and one-on-one assistance to students as needed.

Qualifications/Skills: Strong leadership skills, experience working with youth of varying/diverse abilities, passionate about teaching and enriching students within the community, effective communication and strong problem solving skills, a positive mentor, good collaborator, punctual with good time management, background in art making (all mediums encouraged), self-sufficient and reliable.

If you feel you'd be a great fit, we'd love to consider you! We are hiring for fall and are accepting applications now through March 31, 2026.

Applications can be submitted online via the "Job Opportunities" page on our website: <https://www.mozartpianolearning.com/job-opportunities>. Serious inquiries only please. Hiring Manager Stefanie Hirayama: Stefanie.Hirayama@MozartPianoLearning.com
